Features

Make Every Photo Special

Make every photo special with automated enhancements and easy-to-understand options for editing and sharing!

Easy and Fast ExpressFix™ Mode

Unique ExpressFix panel with one-click fixes and enhancements. Large preview screen with Before and After views.

* **SmartCurves.** Automatically bring out details in dark areas, without overexposing the highlights.

* **Auto White Balance Control** Easily correct your images to make colors look natural under any kind of light.

* **Reduce Noise.** Automatically clean up digital artifacts in photos shot in low light or at high ISO settings. Especially useful for improving pics from cell phone cameras.

* **Photo Project wizard.** Easily create collages, comic strips, DVD labels and greeting cards.

NEW! Next-generation Crop tools

PhotoImpact now offers two easy ways to recompose your pictures for more impact:

* **Rule of Thirds Crop.** Apply the classic Rule of Thirds grid for more dynamic images.

* **Golden Ratio Crop.** Used throughout history by the masters, this is a timeless tool to compose more powerful images. It worked for the Mona Lisa – it can work for your photos too!

SmartGuide – “How-to” Help

Shows you how to complete great-looking projects:

* **Step-by-step** directions on-screen.

* **Guides** for basic and advanced photo-editing, Webpage, video and DVD menu tasks.

* Links take you directly to the tools you need.

More Editing Power

PhotoImpact X3 includes a complete set of powerful tools to satisfy the demands of high-end users.

Powerful Retouching

Enhance your photos using advanced darkroom tools.

* **Dodge, Burn, Remove Scratch** – and many others.

* **Touch-up Tool** – Easily remove skin blemishes and unwanted image details and objects.

Powerful Retouching

Enhanced! RAW File Support

Brighter previews, improved performance and a greater number of supported camera models make working with your RAW images easier than ever.

RAW File Support

High Dynamic Range

* Create professional images that capture color and detail in both shadows and highlights.

* Remove elements of the scene that change between shots.

* Enhanced with preset curves for more camera models.

SmartRemove

Take your photos to new places

NEW! Photo Projects

* **Share** your photos as greetings cards, collages, comic strips and on CD & DVD labels.

* **Choose** from 70 customizable templates.

* **Simple** and fast 3-step wizard.

Enhanced! COOL 360 Panorama-maker

Now fully integrated into PhotolImpact.

- * Seamlessly combine a series of photos
- * Create horizontal or even vertical panoramas.

COOL 360 Panorama-maker

- Create Amazing Digital Art. Enjoy limitless creative possibilities with PhotolImpact's suite of powerful, easy-to-use image-editing tools.

NEW! & UNIQUE!

Cloud Pen

* Say goodbye to dull skies! Paint natural-looking clouds or add fun effects. * Choose from cumulus, cirrus, and stratus cloud types.

Cloud Pen

* Get creative with fantasy cloud animals, skywriting or smoke signals.

Graphics Tools for Video Enthusiasts

Make your video productions stand out. PhotolImpact will help you create stunning graphics for slideshows, videos, DVDs and more.

NEW! Slideshow Prep Wizard

- * Make sure your photos look their best in a DVD slideshow.
- * Choose from a selection of sophisticated frames, drop-shadow and color-gradient background styles.
- * Add date/time labels, and batch process.
- * Import your photos into VideoStudio® or DVD MovieFactory® to create your slideshow!

NEW! DVD Content Sets

Present your video projects like a pro. Design and print DVD labels and case covers that match menus in DVD MovieFactory® and VideoStudio®.
